

NEW FROM WEBCON

OEM quality throttle linkage rods

Webcon are delighted to announce the introduction of a range of OEM quality, universal throttle linkage rods. British made using only the finest EN1A mild steel, all rods are then Trivalent Zinc coated for superior corrosion resistance and in tests, easily pass the industry standard 90 hr salt spray test.

Webcon throttle linkage rods are available in the following sizes:

Centres	Rod length	Part Number	Retail £
2 5/8" - 3"	44 mm	9990311400	13.34
