## **PRESS RELEASE**

**For immediate release**

## **Webcon 45DCOE kit for Triumph Spitfire**

Webcon have just announced the launch of a Weber carburettor kit specifically designed to fit the 1974 - 1981 Triumph Spitfire 1500 with the 4 cylinder 1493 cc engine.

The kit comes complete with a single Genuine Spanish Weber 45DCOE carburettor along with a custom designed MW3804 intake manifold, ram pipes, rod throttle linkage and all the fixings required for installation.

The conversion offers a dramatic performance improvement over the original carburettor(s) especially on US spec single carb models.

The kits are in stock for immediate despatch, and are extremely competitively priced.

The Webcon Single 45DCOE carburettor kit for Triumph Spitfire 1500 is very competitively priced at £455.31 including VAT. Order as Part No.PMG103

A twin 45DCOE conversion is also available. Order as part number PMG201. Retail price £821.33 including VAT.

Both are in stock for immediate shipment.
