Air Horns for Weber 48DCO/SP Carburettors

Webcon are pleased to announce their new range of air horns (trumpets) to suit the 48 DCO/SP carburettor.

The air horns are machined from high quantity aluminium and then clear anodised to keep them in concourse condition.

The air horns are easy to fit by simply sliding them into the carburettor and securing using the original tab washers and nuts.

Three lengths are available - 16mm, 38mm and 75mm.

The new air horns are very competitively priced at **£29.95** each plus VAT and are available immediately from appointed Webcon dealers around the world.
