Webcon are delighted to advise that our superb range of Direct Replacement carburettor kits have just become much more affordable. The expertly calibrated Genuine Weber carburettor, bespoke fitting kit, comprehensive fitting instructions and high quality branded packaging all remain unchanged.

The only thing we have changed is the price, and this has been reduced by up to 59%. Some examples of the reductions are:

Part Number	Application	2011 RRP
1527079300	Ford Escort 1.3 CVH	£95.40
1893092000	BMW 320/520 6cyl	£286.20
2267091200	Vauxhall Cavalier 1.6	£210.94
2267091600	VW Golf 1.6	£227.90
2268088900	Ford 2.0 OHC Man Choke	£174.90

A worn carburettor wastes fuel, causes poor hot & cold starting and generally causes poor driveability. Webcon replacement carburettor kits are readily available, easy DIY fit and are now extremely competitively priced.

So don't wait for your car to give trouble this Winter. Fit a new Webcon carburettor kit now and breathe new life into your car.
