

# NEW FROM WEBCON

## Universal Twin foam air filter Suitable for carburettors and throttle bodies

Webcon are delighted to announce the launch of a High Quality, Universal washable Alpha branded foam filter range to suit either a pair of performance Weber/Dellorto carburettors or a pair of Engine Management throttle bodies.

Supplied with a laser cut, blank aluminium backplate to ensure maximum application coverage, the new filters are supplied with quick fit fasteners and are suitable for vertical and horizontal installations.

The following sizes are available:

Part No	Height	Depth	Width	Price
AFA250	90mm	190mm	440mm	£79.95
AFA250-120	120mm	190mm	440mm	£84.95
AFA250-150	150mm	190mm	440mm	£89.95

Prices exclude VAT at 15%
