

NEW FROM WEBCON

Let your Big Cat ROAR with A Webcon Classic Power conversion

Webcon are delighted to announce the introduction of Classic Power conversion kit part number PJA601 for the Jaguar V12 engine. For many years, the market has been suffering with poor quality conversions that required a significant amount of engineering just to allow them to be fitted to the engine, but now WEBCON has the answer.

Featuring 6 genuine Spanish Weber IDF carburetors, Kit PJA601 has been designed in conjunction with highly experienced Jaguar specialist engineers to ensure that fitting is extremely straightforward and the quality of the manifolds and fittings matches the outstanding quality and performance of the genuine WEBER carburetors.

**So forget inferior kits or imitation Webers.
Your Big Cat deserves nothing less than the quality
and performance of the Webcon PJA601.**

And remember, these are Genuine Spanish Weber carburetors produced on the original tooling in the original factory.

***The same great Weber quality,
The same great Webcon service.***

Guarantee of Authenticity

All **Weber** replacement carburettor kits produced and distributed by Webcon UK Ltd feature only genuine **Weber** carburetors produced in the original Spanish Weber factory.

Genuine **Weber** carburetors are cast with the Weber logo and are stamped "Made in Spain"
