

NEW FROM WEBCON

Alpha 0-5 bar adjustable Fuel Pressure Regulator

We are delighted to advise that we have just launched the latest in our superb range of Alpha Billet Fuel Pressure Regulators

Manufactured to the same OEM quality standards as our existing range of fixed pressure regulators, part numbers WFR305 (Red) and WFR505 (Blue) feature a new design in compact adjustable fuel module assembly to give precise, accurate and consistent flow and pressure.

WFR305 and WFR505 are in stock now for immediately delivery and are extremely competitively priced at just £74.50 plus vat and represent superb value for money when compared with many adjustable regulators available on the market

To order, please contact your local Webcon Dealer. Export customers please contact Webcon for your pricing details.

Guarantee of Authenticity

All Weber carburettor kits produced and distributed by Webcon UK Ltd feature only genuine Weber carburettors produced in the original Spanish Weber factory.

Genuine Weber carburettors are cast with the Weber logo and are stamped
"Made in Spain"
